

# ECU Socketing Form (S300 not included)

Please send the following items to Hondata:

- ☐ ECU – Must have serial number. ECUs sent without serial numbers will not be accepted due to possibility of theft.
- ☐ Payment: Credit Card or Cashier's check / Money order made payable to “**Hondata, Inc.**”. No personal checks will be accepted.
- ☐ A completed and signed copy of this form.

## Ship to address:

Hondata ECU Socketing  
2840 Columbia Street  
Torrance, CA 90503  
USA

*Due to the rise of USPS package delivery issues with customer's packages, it is highly recommended that whichever shipping company you use to ship your item to us that a tracking number, insurance and signature requirement for delivery are included. Hondata holds no responsibility for any lost, missing or damaged packages. Any claims must be filed directly with the shipping company and not to Hondata.*

**International customers:** You are responsible for any and all duties and taxes incurred in shipping your unit to Hondata. Please check that duties and taxes are billed to shipper (you). Any inbound duties and taxes paid for by Hondata will be re-billed to you.

## Customer's Information – This section **MUST** be fully completed.

This is the residential address the ECU will be shipped back to. We cannot ship to P.O. boxes and/or any alternate shipping address.

## Socketing Service & Cost

<b>Type of Socketing</b> <i>Does not include the S300 unit</i>	<input type="checkbox"/> S300/S300j with Reliability Upgrade (\$160). Standard shipping cost included. <input type="checkbox"/> S300 with Boost Control and Reliability Upgrade (\$210). <i>Boost solenoid not included.</i> Standard shipping cost included. <input type="checkbox"/> Add Boost Control to already socketed S300 ECU (\$50). <i>Boost solenoid not included.</i> Shipping cost NOT included (\$30). <input type="checkbox"/> Reliability Upgrade - Replace capacitors Only (\$50). Shipping cost NOT included (\$30). <i>The electrolytic capacitors in the ECU have a limited life and when they fail, they often burst, leaking corrosive fluid and burning the circuit board. Hondata will install 8 high quality replacement capacitors to help protect and extend the life of your OBD1 ECU.</i>
<b>FedEx / UPS Shipping</b>	<input type="checkbox"/> Standard 3-Day or Ground (+\$0, included in cost of socketing) <input type="checkbox"/> Overnight (+\$35) <input type="checkbox"/> International shipping (+\$45)
<b>Order Total for Socketing &amp; Shipping</b>	\$

If your ECU is damaged, would you like us to submit it to an e-waste program or return it back to you?  
Please select below: (If none is checked, your ECU will be automatically recycled)

- ☐ E-waste  
☐ I want it shipped back together (+\$30)

***If the ECU you send is damaged, you will be notified. There is no guarantee that damage can be successfully repaired. We suggest that your ECU be tested before shipping to Hondata. Repairs are typically limited to repairing damaged tracks from poor soldering. We do not repair ECUs that give sensor codes.***

## Liability

Buyer releases Hondata, Inc. from any liabilities (expressed or implied, arising by law or otherwise) that may occur from the use of products sold by Hondata, Inc. and purchased by Buyer. Hondata products are legal in California only for racing vehicles which may never be used, or registered or licensed for use, on a highway. No other applications are intended or implied. The Buyer of this product acknowledges and agrees that Seller disclaims any warranty and expressly disclaims any liability for personal injury or damages or any damages to vehicle or expensed occurred. In the event a manufacturer's warranty exists, it is agreed and stated that under no circumstances shall the seller or manufacture be liable for any labor charged or travel time incurred in diagnosis for defects, removal, or reinstallation of this product, or any contingent expenses. It is the Buyers responsibility to ensure the ECU flash program is not overwritten by anyone, including Honda, or any agent of Honda (including Honda/Acura dealers). Exceeding the factory rev cut rpm may cause engine damage, which may not be covered by any factory warranty.

Please sign and date below to acknowledge that you have been made aware of the fact that the product that you are purchasing may void your vehicle's factory warranty and you have been advised that this product is not EPA/CARB certified and the product is for only for racing vehicles which may never be used, or registered or licensed for use, on a highway. The Buyer will not hold any liability against Hondata, Inc. and will hold Hondata, Inc. harmless from any liability as a result of selling, purchasing and/or installing product.
