

FlashPro Upgrade Form

Overview

This upgrade replaces the FlashPro circuit board with a new Bluetooth equipped circuit board. All customer details as well as VIN lock information are transferred to the new FlashPro. The replacement circuit board will have a one-year warranty.

Before shipping check online that your FlashPro is not already Bluetooth equipped.

Liability

Buyer releases Hondata, Inc. from any liabilities (expressed or implied, arising by law or otherwise) that may occur from the use of products sold by Hondata, Inc. and purchased by Buyer. Hondata products are legal in California only for racing vehicles which may never be used, or registered or licensed for use, on a highway. No other applications are intended or implied. The Buyer of this product acknowledges and agrees that Seller disclaims any warranty and expressly disclaims any liability for personal injury or damages or any damages to vehicle or expensed occurred. In the event a manufacturer's warranty exists, it is agreed and stated that under no circumstances shall the seller or manufacture be liable for any labor charged or travel time incurred in diagnosis for defects, removal, or reinstallation of this product, or any contingent expenses. It is the Buyers responsibility to ensure the ECU flash program is not overwritten by anyone, including Honda, or any agent of Honda (including Honda/Acura dealers). Exceeding the factory rev cut rpm may cause engine damage, which may not be covered by any factory warranty.

Please sign and date below to acknowledge that you have been made aware of the fact that the product that you are purchasing may void your vehicle's factory warranty and you have been advised that this product is not EPA/CARB certified and the product is for only for racing vehicles which may never be used, or registered or licensed for use, on a highway. The Buyer will not hold any liability against Hondata, Inc. and will hold Hondata, Inc. harmless from any liability as a result of selling, purchasing and/or installing product.
