

KPro4 Upgrade Form

Overview

This upgrade replaces the green or red board KPro with a new Bluetooth equipped circuit board. The replacement circuit board has a one-year warranty.

KPros or ECUs without serial numbers cannot be processed.

If Hondata finds that your old KPro is functionally damaged, you will have the option of: (1) Paying an additional \$100 for the upgrade; (2) Getting the ECU sent back to you in its as-is condition (Shipping fees: \$40 California, \$50 Out of State and/or \$100 International).

Before you send to Hondata

- Make sure you have downloaded and saved your calibration to your laptop/hard drive before sending to Hondata.

Please send the following items to Hondata

- ECU with KPro (both must be in working order, key and immobilizer not needed)
 Both pages of the form, signed and dated on the last page

Due to the rise of USPS package delivery issues with customer's packages, it is highly recommended that whichever shipping company you use to ship your item to us that a tracking number, insurance and signature requirement for delivery are included. Hondata holds no responsibility for any lost, missing or damaged packages. Any claims must be filed directly with the shipping company and not to Hondata.

Please do not contact us asking if we received your package. If your tracking number indicates delivery, rest assured, we have it and will process it in the order it was received.

International customers: You are responsible for any and all duties and taxes incurred in shipping your unit to Hondata. Please check that duties and taxes are billed to shipper (you). Any inbound duties and taxes paid for by Hondata will be re-billed to you.
