

S2000 FlashPro ECU Boost Control Form

Overview

This procedure applies only to S2000 ECU's that are 2006+ or later that are using FlashPro. We will add the components necessary to enable a duty cycle controlled output on Pin B16 for boost control.

Please send the following items to Hondata:

- ☐ ECU & FlashPro – S2000 ECU that is 2006+ or later. Must have serial number. ECUs sent without serial numbers will not be accepted due to the possibility of theft.
- ☐ Payment: Credit Card or Cashier's check / Money Order made payable to **"Hondata, Inc."**. No personal checks accepted.
- ☐ A completed and signed copy of this form.

Ship to address:

Hondata S2000 Boost Control
2840 Columbia Street
Torrance, CA 90503
USA

Due to the rise of USPS package delivery issues with customer's packages, it is highly recommended that whichever shipping company you use to ship your item to us that a tracking number, insurance and signature requirement for delivery are included. Hondata holds no responsibility for any lost, missing or damaged packages. Any claims must be filed directly with the shipping company and not to Hondata.

International customers: *You are responsible for any and all duties and taxes incurred in shipping your unit to Hondata. Please check that duties and taxes are billed to shipper (you). Any inbound duties and taxes paid for by Hondata will be re-billed to you.*

Customer's Information (Required) - This section **MUST** be completed.

This is the residential address the items will be shipped back to. We cannot ship to P.O. boxes and/or any alternate shipping addresses.

Liability

Buyer releases Hondata, Inc. from any liabilities (expressed or implied, arising by law or otherwise) that may occur from the use of products sold by Hondata, Inc. and purchased by Buyer. Hondata products are legal in California only for racing vehicles which may never be used, or registered or licensed for use, on a highway. No other applications are intended or implied. The Buyer of this product acknowledges and agrees that Seller disclaims any warranty and expressly disclaims any liability for personal injury or damages or any damages to vehicle or expensed occurred. In the event a manufacturer's warranty exists, it is agreed and stated that under no circumstances shall the seller or manufacture be liable for any labor charged or travel time incurred in diagnosis for defects, removal, or reinstallation of this product, or any contingent expenses. It is the Buyers responsibility to ensure the ECU flash program is not overwritten by anyone, including Honda, or any agent of Honda (including Honda/Acura dealers). Exceeding the factory rev cut rpm may cause engine damage, which may not be covered by any factory warranty.

Please sign and date below to acknowledge that you have been made aware of the fact that the product that you are purchasing may void your vehicle's factory warranty and you have been advised that this product is not EPA/CARB certified and the product is for only for racing vehicles which may never be used, or registered or licensed for use, on a highway. The Buyer will not hold any liability against Hondata, Inc. and will hold Hondata, Inc. harmless from any liability as a result of selling, purchasing and/or installing product.
