

S300 V3 Upgrade Form

Overview

This upgrade replaces the green or red board S300 with a new Bluetooth equipped circuit board. The replacement circuit board has a one-year warranty.

If Hondata finds that your S300 is functionally damaged, you will have the option of: (1) Paying an additional \$100 for the upgrade; (2) Getting the old S300 & ECU sent back to you in its as-is condition.
(shipping fees: \$40 California, \$50 Out of State and/or \$100 International).

S300s without serial numbers cannot be processed.

Before you send to Hondata

- ☐ Make sure you have downloaded and saved your calibration to your laptop/hard drive before sending to Hondata.

Please send the following items to Hondata

- ☐ ECU and S300 (both must be in working order)
☐ Both pages of the form, signed and dated on the last page

Customer's Information - This section **MUST** be fully completed.

This is the residential address the ECU will be shipped back to. We cannot ship to P.O. boxes and/or any alternate shipping address.

Ship to address:

Hondata S300 v3 Bluetooth Upgrade
2840 Columbia Street
Torrance, CA 90503
USA

Due to the rise of USPS package delivery issues with customer's packages, it is highly recommended that whichever shipping company you use to ship your item to us that a tracking number, insurance and signature requirement for delivery are included. Hondata holds no responsibility for any lost, missing or damaged packages. Any claims must be filed directly with the shipping company and not to Hondata.

International customers: You are responsible for any and all duties and taxes incurred in shipping your unit to Hondata. Please check that duties and taxes are billed to shipper (you). Any inbound duties and taxes paid for by Hondata will be re-billed to you.

S300 v3 Upgrade

Liability

Buyer releases Hondata, Inc. from any liabilities (expressed or implied, arising by law or otherwise) that may occur from the use of products sold by Hondata, Inc. and purchased by Buyer. Hondata products are legal in California only for racing vehicles which may never be used, or registered or licensed for use, on a highway. No other applications are intended or implied. The Buyer of this product acknowledges and agrees that Seller disclaims any warranty and expressly disclaims any liability for personal injury or damages or any damages to vehicle or expensed occurred. In the event a manufacturer's warranty exists, it is agreed and stated that under no circumstances shall the seller or manufacture be liable for any labor charged or travel time incurred in diagnosis for defects, removal, or reinstallation of this product, or any contingent expenses. It is the Buyers responsibility to ensure the ECU flash program is not overwritten by anyone, including Honda, or any agent of Honda (including Honda/Acura dealers). Exceeding the factory rev cut rpm may cause engine damage, which may not be covered by any factory warranty.

Please sign and date below to acknowledge that you have been made aware of the fact that the product that you are purchasing may void your vehicle's factory warranty and you have been advised that this product is not EPA/CARB certified and the product is for only for racing vehicles which may never be used, or registered or licensed for use, on a highway. The Buyer will not hold any liability against Hondata, Inc. and will hold Hondata, Inc. harmless from any liability as a result of selling, purchasing and/or installing product.
